The Curriculum and Approaches to Learning		Key Programmes / Competitions
<p>In line with the requirements of the (subject) Syllabus 2010, the teaching of (subject) at YSS focuses on getting students to understand key Historical concepts and skills to develop in them a critical appreciation of past human experiences and connections between the past and present. Topics at Upper Sec History include the narrative of Europe in crisis, European rivalries which erupted into two world wars and the rise of authoritarianism. This is followed by the shift in the global balance of power from Europe to the USA and USSR, the emergence of a bi-polar world and the end of the Cold War. The use of an Inquiry question in each unit provides the focal point for students to investigate, extract, order, collate, synthesise and analyse information to formulate and test a hypothesis and reach a conclusion on issues explored in the syllabuses.</p>		<ul style="list-style-type: none"> * Inquiry approach to understanding historical understanding through : <ul style="list-style-type: none"> - Source analysis - Perspective taking * Humanities Week
